PROFFESSIONAL SUMMARY

A strong goal oriented team-player, self-initiative with high-degree of technical adoptability with steep learning curve. Possessing almost 2.5 years of experience in Enhancement and Analysis related project in React specific applications. Proficient in leveraging modern JavaScript (ES6+), React.js, and related libraries (Redux, React Router) to deliver exceptional client-side experiences. Adept at full software development lifecycle, from concept through delivery and optimization.

EDUCATION

Acharya Nagarjuna University	2019-2021
Master of Business Administration	67%
N.T.R Memorial Degree College	2015-2018
BSc (Computer Science)	85%
Sri Katamraju Junior College	2013-2015
Higher Secondary Certification(12th)	85%

TECHNICAL SKILLS

Frontend Technologies	:	HTML, CSS, JavaScript, React Js, Bootstrap
State Management	:	Redux, Redux Toolkit
Routing	:	React Router DOM
APIs and Networking	:	Axios
Programming Languages	:	Python, SQL
Databases	:	MySQL
Operating Systems	:	Linux and Windows

WORK EXPERIENCE

Abhyudaya HR Business Solutions | Front-end Developer | Client - Citi   **May 2022 - Present**

Responsibilities:

- Developed and maintained high-performance web applications using React.js, ensuring optimal responsiveness and cross-browser compatibility.
- Collaborated with UI/UX designers and backend developers to implement user interfaces and integrate frontend components with RESTful APIs using Axios.
- Implemented state management solutions using React Props, Redux and Redux Toolkit to efficiently manage application state and data flow.
- Utilized React Router for seamless navigation in single-page applications (SPAs) and React Hooks to streamline component lifecycle management.
- Conducted code reviews, identified performance bottlenecks, and implemented solutions to enhance application speed and responsiveness.
- Participated in agile development cycles, including sprint planning and daily stand-ups, to ensure timely delivery of project milestones.

    Technologies: React Hooks, Redux-toolkit, React Router DOM, Axios

CERTIFICATIONS

- HackerRank Python Certificate
- HackerRank Frontend Developer(React) Certificate
